THE LOVELY BEAUTY OF BIRCH

...now at sensible prices!

These great values are possible in the Honey-Birch line only because Mengel is one of the world's largest designers and builders of mass-produced cabinets.

MENGELWOOD

Honey Birch KITCHENS

Yes, Mengel presents its Honey-Birch line of distinctive kitchen cabinets styled for beauty in any type home, and available at prices that will pleasantly surprise your pocketbook.

Check the features inside carefully — for rich beauty, for convenience, and for Mengel's famed variety of cabinetry. Major features as well as "accent" details give you a truly smart kitchen.

YOUR CHOICE OF **11** **gorgeous counter tops**

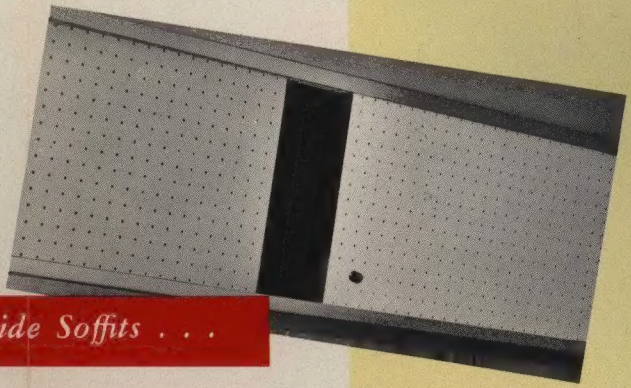
Distinguished decorator-styled countertops — in the same modern high pressure plastic featured with much higher priced cabinets. Glistening tops are *always* sparkling clean, and easily resist acids, heat, and cold.

"Custom" touches — like the **Pass-Thru Cabinets**

Step-saving, time-saving Pass-Thru units in Mengel Honey-Birch make it possible to open cabinets from either side. Choice of swing doors, sliding doors, or combinations of both.

PLUS YOUR CHOICE OF DOZENS OF DELUXE FEATURES LIKE THESE:

(Space permits only a few to be shown. Come in and inspect the others — there is no obligation).



Perf-O-Slide Soffits . . .

Valuable storage space between tops of your wall cabinets and the ceiling. Easily installed—smart and practical. Definitely another "custom" touch.
